ALASKA PROUD

We are a small, Alaska owned and operated business that exclusively publishes Alaskan photographers, authors, and artists' work. When you purchase our products, you support them and their creative endeavors.

SUSTAINABLE

Our calendars are printed in Canada using renewable energy. Our cards are printed in Alaska. Both use paper milled from trees that meet responsible forest management guidelines.

RESPECT ALASKA

We love Alaska's big, wild and rugged spaces, the beautiful landscape, and abundant wildlife. We believe these natural treasures must remain for our children's children and generations that will follow.

PLANET FRIENDLY

There are literally tons of plastics strewn across Alaska's shores and beaches that will last hundreds of years; we are transitioning to certified compostable plastic packaging wherever possible.

GIVING BACK

We support the future of Alaska and its people, communities, and the land we all cherish. When you purchase our products, a portion of the proceeds will be donated to select Alaska non-profits.

ALASKA'S FINEST CALENDARS

OK, so 2020 actually happened! What a year for tourism-based Alaska businesses. That was a little set back but we are ready to roll for 2021.

Greatland Graphics exclusively features work by Alaskan artists, authors and photographers. When you purchase our products, you support Alaskans and each year we give back to select not-for-profit organizations that support the future of Alaska's land and communities.

Our calendars and cards are printed in Alaska and Canada on paper that meets responsible forest management guidelines. We are transitioning

to eco-friendly packaging where possible. See all our products on our website and download this catalog and wholesale order forms with prices at GreatlandGraphics.com/wholesale.

We look forward to working with you, as we continually strive for excellence in all our products and services.

*"We are what we repeatedly do.
Excellence, therefore, is not an act,
but a habit."*

ALBERT EINSTEIN

Sincerely,
Patrick J Endres, owner
