Edition 29

2024

29 YEARS OF OUTSTANDING
NATURE PHOTOGRAPHY

Alaska Time 2024

WEEKLY CALENDAR PLANNER

EDITOR'S NOTE

Alaska will continually lure adventurers, sightseers, and nature enthusiasts. It's a land of extremes, as any local will tell you. But something robust lives along those rugged, tenuous edges. Something raw, unpredictable, and beautiful—enough to keep the population from migrating south. Corey Ford writes about Alaska's extremes in *Where The Sea Breaks Its Back*:

"The name Alaska is probably an abbreviation of Unalaska, derived from the original Aleut word agunalaksh, which means "the shores where the sea breaks its back." The war between water and land is never-ending. Waves shatter themselves in spent fury against the rocky bulwarks of the coast; giant tides eat away the sand beaches and alter the entire contour of an island overnight; williwaw winds pour down the side of a volcano like snow sliding off a roof, building to a hundred-mile velocity in a matter of minutes and churning the ocean into a maelstrom where the stoutest vessels founder."

But Alaska is not only defined by its epic and violent weather. The sublime light of warm summer evenings, peaceful wildflower meadows, and stunning panorama landscapes give balance to the often harsh climate. May the pictures in the following pages inspire respect and appreciation for Alaska's enthralling wilderness and natural beauty. A big thanks to everyone worldwide who enjoys Alaska through this small publication.

Sincerely,

Patrick J Endres
Editor/Owner

ALASKA PROUD

We are Alaska owned and operated and exclusively publish the work of Alaskan photographers, authors, and artists. You support them when you purchase our products.

SUSTAINABLE

Printed in a renewable energy facility in Canada with plant-based inks on paper milled from trees harvested with responsible forest management guidelines (FSC).

RESPECT ALASKA

We love Alaska's big and wild spaces, the land, and abundant wildlife. We believe these natural treasures must remain for our children's children and generations that follow.

GIVING BACK

We support the future of Alaska, its communities, and land we all cherish. When you purchase our products, a portion of the proceeds will go to support Alaskan non-profits.

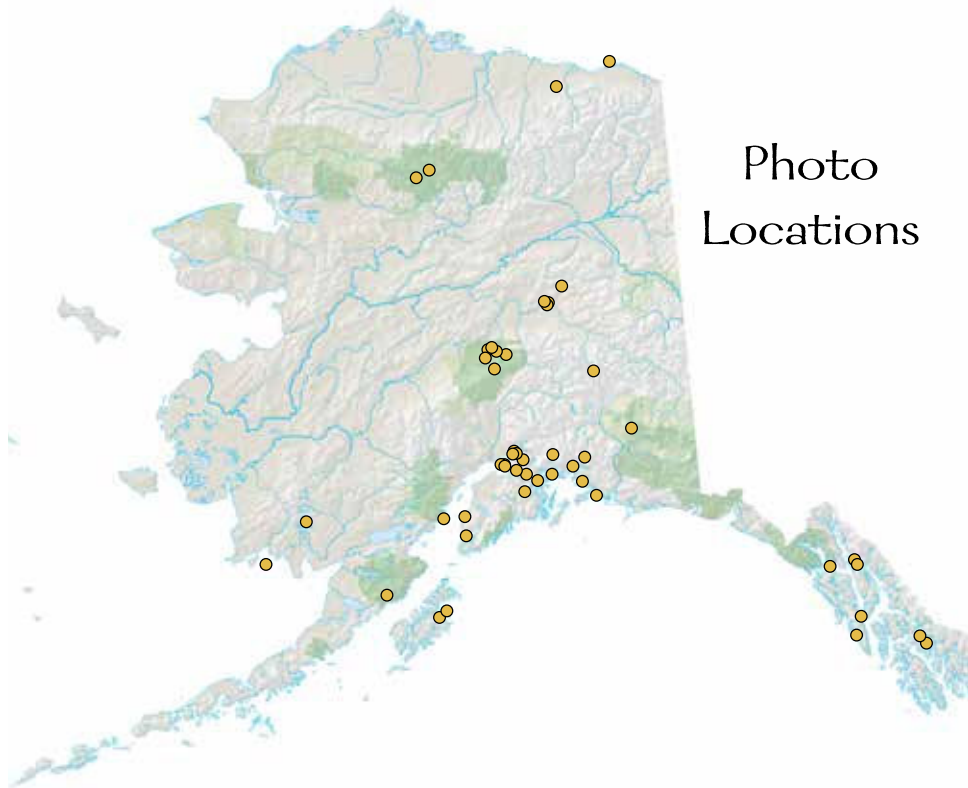

Photo Locations

A special thank you to the talented team of Alaska photographers who spend hours trekking Alaska's mountains and tundra in cold, rain, sunshine, and under the shimmering aurora-filled night skies to bring you nature's beauty from the "Greatland."

Robin Brandt	Bruce M Herman	Fredrik Norrsell
Ray Bulson	Fred Hirschmann	Shane Parker
Milo Burcham	John Hyde	Matthew Quaid
Dan Carline	Julie Jessen	Hugh Rose
Donna Dewhurst	Amy J Johnson	Travis Saunders

Joanie Havenner	Ron Niebrugge	

Alaska nature photography enthusiasts, please visit the Alaska Society of Outdoor and Nature Photographers (ASONP.org), an educational, non-profit organization dedicated to promoting public education, self-improvement, and ethics in outdoor and nature photography.

What good is the warmth of summer,
without the cold of winter
to give it sweetness.

Use what talents you possess;
the woods would be very silent if no birds
sang there except those that sang best.

SUNDAY

29

The lure of the distant
and the difficult is deceptive.
The great opportunity is where you are.
